To make additional subscriptions to your existing Mutual Fund account is easy and we will be showing you in 5 simple steps

1. Log into your account via <u>www.arminvestmentcenter.com</u> with your Membership ID or registered email address as username and password.

2. Hover your cursor on 'My Portfolio', select 'Additional Investment'

3. Enter the amount you would like to add to your existing investment in the space provided as seem below

NB: You can make a transfer to your personalized account number (this account number is unique to you) with Sterling Bank for faster settlement. Kindly click on the link - FAQ to learn more.

4. Click on the 'Proceed' button and 'Continue to Payment'
